

Littleton, Apr 9th 190

To the Superintendent of the Mint.

Dear Sir.

I write to you to enquire if at any time within the past five years, Mr Geo B. Elliott, formerly of Cleveland, O. has sold you any "Proof Coin or any other rare coin or medals. He died Oct 9th 1889 very suddenly, without giving to any one, an account of his business or the disposition of his collection of rare coin. It has disappeared in a very mysterious manner, & all attempts of mine to find out where it is has so far failed. I have written to several dealers in numismatics in your city & in New York, but can get no trace of it. If you can assist me in

this matter, I shall be much
obliged. He sold a shot bag of
Copper Coin to a man in Denver,
but at the Banks or Coin Dealers
I cannot find that he sold any.
I am trying to settle up his busi-
ness & am in need of means.
Please answer & oblige.

Yrs Geo B. Elliott
